Presenting the
ASGE - JGES Masters Course in ESD
with optional POEM add-on

SEPTEMBER 21-23, 2018
ASGE Institute for Training and Technology
Downers Grove, Illinois
Early Registration Discounts End August 9th

A unique opportunity to learn from known masters of ESD and POEM

The American Society for Gastrointestinal Endoscopy (ASGE) and the Japan Gastroenterological Endoscopy Society (JGES) invite you to participate in this one-of-a-kind immersion course in endoscopic submucosal dissection (ESD) taught by highly skilled experts, representing the largest team of outstanding masters in ESD ever assembled in this country.

This two-day course, which will be held at the state-of-the-art ASGE Institute for Training and Technology (IT&T), has been developed to provide a comprehensive experience in ESD that will take the advanced endoscopist from theory to the hands-on practice of ESD, discussing and demonstrating the fine points of the technique.

What you will learn

ASGE and JGES have collaborated to bring advanced techniques to endoscopists in the U.S. The course will include presentations from the faculty covering indications and methods for ESD and followed by demonstrations of these techniques by the Masters in ex vivo and animate models. Participants will engage in...
