The screenshot shows the journal's homepage. At the top left, there is a header with the journal title 'DEN Digestive Endoscopy' and logos for IGES and WEO. Below this, there is a navigation bar with 'HOME', 'ABOUT', 'CONTRIBUTE', and 'BROWSE'. The main content area is titled 'Articles' and features a 'Most Recent' tab. A featured article is displayed with the title 'Double traction technique for endoscopic ultrasound-guided drainage of small postoperative pancreatic fistula'. On the right side of the page, there is a 'Sign up for email alerts' form, which is highlighted with a green box. The form includes a text input field for an email address and a 'Continue' button. Below the form are links for 'Submit an article' and 'Subscribe to this journal'.

NEW CONTENT ALERTS

You can sign up to receive e-mail alerts containing the newly published content by going to any journal page and clicking the "Sign up for email alerts" option. For journals publishing Accepted and Early View articles, these will be automatically included in your e-mail alerts.

You can choose the frequency of those alerts within your account area, below. These can be set to daily, weekly, monthly, or never. If the frequency is set to never, you will no longer receive email alerts for all journals publishing Accepted and Early View articles. This setting is applicable to all titles you are receiving alerts for. You will still continue to receive email alerts for new issues containing newly published content.
