

4th World Congress of GI Endoscopy (ENDO 2024) & International Digestive Endoscopy Network 2024 (IDEN 2024)

WE INVITE YOU TO THE ENDO 2024 & IDEN 2024!

Since the first IDEN conference was held in 2011, IDEN has accomplished steady growth, with the most recent conference attracting over 1,052 participants from 37 countries.

This year, in collaboration with the World Endoscopy Organization (WEO) and the Korean Society of Gastrointestinal Endoscopy (KSGE), we aim to provide not only an in-depth exploration of the Asian perspective but also a global showcase of scientific viewpoints. ENDO 2024 & IDEN 2024 is expected to attract more than 4,500 participants worldwide.

● IYEA 2024 (International Young Endoscopist Awards 2024)

• **Application Submission Deadline: February 28, 2024**

The IYEA program is intended to promote technical advancement and collaboration among young endoscopists. This program has been held annually since 2014, with 358 young international endoscopists from 37 countries having participated so far. The program enables them to acquire and develop new advanced knowledge and technical skills in GI endoscopy by clinical training at Korean high-volume centers, which in turn improve patient care in the applicant's home. Please refer to the 2023 website for the content (<https://www.iden.or.kr/iden2023/iyea>). The 2024 IYEA website will be updated on the ENDO 2024 website later, so please check it then.
