◆ IYEA 2026 (International Young Endoscopist Awards 2026)

Online Application Submission Deadline: **January 30, 2026**

The IYEA program is intended to promote technical advancement and collaboration among young endoscopists. This program has been held annually since 2014, with 465 young international endoscopists from 48 countries having participated so far. The program enables them to acquire and develop new advanced knowledge and technical skills in GI endoscopy by clinical training at Korean high-volume centers, which in turn improve patient care in the applicant's home.
