

About KSGE Days 2026

KSGE Days 2026 will be held from Friday, September 4 to Saturday, September 5, 2026, at Lotte Hotel Seoul, Korea.

This year's meeting is particularly meaningful as the Korean Society of Gastrointestinal Endoscopy (KSGE) celebrates its 50th anniversary, marking five decades of dedication to advancing gastrointestinal endoscopy in Korea. Approximately 700 researchers and clinicians from 20 countries are expected to attend, providing a valuable platform for sharing the latest research findings and clinical experiences, and to discuss the future of gastrointestinal endoscopy.

We sincerely invite researchers and professionals in related fields to join us and contribute to this meaningful scientific exchange.
