The screenshot shows the program page for Friday 4 April. At the top, there is a navigation bar with a back button and the text "ESGE DAYS 2025". Below this, it states "Times shown in CEST" and "ESGE reserves the right to change the programme content and faculty names at anytime." The main heading is "Friday 4 April". The session is titled "JGES Joint session: Image Enhanced Endoscopy (IEE) in the Upper GI Tract" and is held in Room 114, Channel 5. It is a joint session with partnering societies. The chair is Yoko Kitamura (Japan) and Helmut Messmann (Germany). The session includes four presentations: "What is IEE?" by Pedro Pimentel-Nunes (Portugal) at 08:30, "IEE for Diagnosing Squamous Esophageal Neoplasia" by Yoko Kitamura (Japan) at 08:45, "IEE for Diagnosing Barrett's Neoplasia" by Bas Weusten (Netherlands) at 09:00, and "IEE for Diagnosing Premalignant and Malignant Gastric Neoplasia" by Takashi Kanesaka (Japan) at 09:15. At the bottom, there is a "Pathway" section with buttons for "Upper GI" and "Young Endoscopists".
