◆ IYEA 2027 (International Young Endoscopist Award 2027)

Online Application Submission Deadline: **January 29, 2027**

Since its inception in 2014, the IYEA program has been held annually in conjunction with the IDEN conference. To date, it has provided 522 young endoscopists from 52 countries with opportunities to acquire and enhance their knowledge and technical skills in GI endoscopy through clinical training at high-volume centers in Korea, while fostering international collaboration and professional exchange. Ultimately, the program aims to improve the quality of patient care in participants' home countries.
